

DJ & DANCE

All That Entertainment can bring you dances for all of your events (public or private) including: School, Graduation, Corporate, Retirement, In-Bar DJ, Confirmations, Community Picnics, Birthday Parties, Post Proms, Coming-of-Age, Anniversaries, and so much more!

We'll bring a fun atmosphere to your event, playing your requests and throwing in something for everyone. We will play hits from the current top 40, all the way back to what was hot in 1940, and everything in between!

We've got interactive game songs to get your guests out on the dance floor, and on request we offer team-building exercises to make your dance memorable.

We will do everything we can to make your event a success, and our DJs will have just as much fun as you and your guests! If you're tired of dances that have more wallflowers than party animals, **it's time you give your guests All That.**

WEDDINGS

Your wedding is everything. The dance has to be perfect. **It has to be All That.**

We will bring professional, pleasant DJs to your wedding dance. We set up before your guests arrive. You get six hours of play time, including dinner music. Our cordless microphone is always available for your prayers, toasts, and announcements.

Use our online music form to pick your songs ahead of time, including what you would like for your special dances. During the dance, we'll present you with a gorgeous wedding plaque with a working CD featuring **your** song!

We will get your crowd going with interactive songs like the Cupid Shuffle, Cha Cha Slide, or even that old familiar Flying Dutchman; with many more to choose from.

We toss in some crowd participation games and special events for the children in the crowd. Our music selection includes the most current hits of the top 40, all the way back to what was hot in 1940! We will tailor our show to fit your needs, your likes, and your dislikes.

It's **your** wedding reception. You've waited for this your entire life. You've dreamed and planned. **You need it to be All That.**

P.A.

Whether your event is indoor or outdoor, we can provide superior sound and music. We'll make announcements for you throughout the event, and we will play the genres of music that fit your event.

If you're putting on a car show, air show, promoting awareness, giving a speech, having a benefit, or more, we can help you pull it off with style.

ABOUT US

All That Entertainment is based out of Columbus, Nebraska. We are a family-owned and operated company. We're large enough to cover all of your needs, but still small enough to *care*.

We can't wait to meet you.

KARAOKE

You've seen karaoke before, but never like this!

We provide high-energy, entertaining karaoke shows featuring continuous music with no dead air. Our DJs play background music in between singers and also when the show needs a jolt. We are fully computerized, bringing you superior sound quality and real music videos! We run non-singing contests to keep the non-singing audience members coming back for more.

We have developed the most fair rotation system around. We'll play the mood of the crowd, fitting our background music to what they want to hear.

If you want your establishment to be *the place* for fun, don't go with just any karaoke company. Our song selection is second to none, with weekly karaoke, music, and video updates – We're more like a dance party!

If you're a bar or club owner or manager, we can help you build a large and loyal repeat customer base. For private party customers, we offer a one-time party blast that you will never forget. For events like post-proms and karaoke at schools, you can be sure of a show that is appropriate, while still giving your students *pumped up karaoke*.

This isn't your grandpa's karaoke. You'll discover that All That Entertainment Karaoke really is 'The Rock'n-est Karaoke You'll Find Anywhere!'
